LEGISLATIVE COUNSEL'S DIGEST

SB 63, as amended, ~~Committee on Budget and Fiscal Review~~ Strickland. ~~Budget Act of 2009. Waste management.~~

*(1) Existing law creates the California Integrated Waste Management Board with specified powers and duties.*

*This bill would abolish the California Integrated Waste Management Board and transfer its duties and responsibilities to the Department of Resources Recycling and Recovery, which would be created by the bill in the Natural Resources Agency, under the direction of an executive officer known as the Director of Resources Recycling and Recovery.*

*The bill would authorize the director to accept on behalf of the department federal grants, and require the grants to be deposited in*

*the Special Deposit Fund, which is continuously appropriated, thereby making an appropriation.*

*(2) Under existing law, the Department of Conservation administers the California Beverage Container Recycling and Litter Reduction Act.*

*This bill would transfer those duties to the Division of Recycling that the bill would establish within the newly created Department of Resources Recycling and Recovery.*

*(3) Existing law establishes the Office of Education and the Environment in the California Integrated Waste Management Board.*

*This bill would transfer the Office of Education and the Environment to the California Environmental Protection Agency.*

~~This bill would express the intent of the Legislature to enact statutory changes relating to the Budget Act of 2009.~~

Vote: majority. Appropriation: ~~no~~ yes. Fiscal committee: ~~no~~ yes. State-mandated local program: no.

*The people of the State of California do enact as follows:*

1     SECTION 1. Section 11553 of the Government Code is  
2     amended to read:

3     11553. (a) Effective January 1, 1988, an annual salary of

3 *by statute, the Division of Recycling in the Department of*  
4 *Resources Recycling and Recovery succeeds to and is vested with*  
5 *all of the authority, duties, powers, purposes, responsibilities, and*  
6 *jurisdiction of the Department of Conservation in the performance*  
7 *of a function carrying out Division 12.1 (commencing with Section*  
8 *14500).*

9     (b) (1) *All employees of the former California Integrated Waste*  
10 *Management Board who, on January 1, 2010, are serving in the*  
11 *state civil service, other than as temporary employees, are*  
12 *transferred to the Department of Resources Recycling and*  
13 *Recovery.*

14     (2) *The status, position, and rights of those persons transferred*  
15 *pursuant to this subdivision shall not be affected and shall be*  
16 *retained by them as employees of the department to which they*  
17 *are transferred pursuant to the State Civil Service Act (Part 2*  
18 *(commencing with Section 18500) of Division 5 of Title 2 of the*  
19 *Government Code), except as to positions exempt from civil service.*

20     (c) (1) *All officers and employees of the Department of*  
21 *Conservation who, on January 1, 2010, are serving in the state*  
22 *civil service, other than as temporary employees, and are engaged*  
23 *in the performance of a function carrying out Division 12.1*  
24 *(commencing with Section 14500), shall be transferred to the*  
25 *Division of Recycling in the Department of Resources Recycling*  
26 *and Recovery.*

27     (2) *The status, position, and rights of those persons transferred*  
28 *pursuant to this subdivision shall not be affected and shall be*  
29 *retained by them as officers and employees of the department to*  
30 *which they are transferred pursuant to the State Civil Service Act*  
31 *(Part 2 (commencing with Section 18500) of Division 5 of Title 2*  
32 *of the Government Code), except as to positions exempt from civil*  
33 *service.*

34     (d) *Any regulations adopted before January 1, 2010, by the*  
35 *former California Integrated Waste Management Board and the*  
36 *Department of Conservation relating to carrying out the duties*  
37 *and responsibilities transferred pursuant to subdivision (a), that*  
38 *are in effect on January 1, 2010, shall remain in effect on and after*  
39 *January 1, 2010, and are enforceable until readopted, amended,*  
40 *or repealed.*

1     (e) *The Department of Resources Recycling and Recovery shall*  
2 *have possession and control of all records, papers, offices,*  
3 *equipment, supplies, moneys, funds, appropriations, land and other*  
4 *real or personal property, held for the benefit or use of all bodies,*  
5 *offices, and officers whose duties, powers, and functions have been*  
6 *transferred pursuant to subdivision (a).*

7     40402. *The Department of Resources Recycling and Recovery*  
8 *may expend the money in any appropriation or in any special fund*  
9 *in the State Treasury made available by law for the administration*  
10 *of the statutes the administration of which is committed to the*  
11 *department, or for the use, support, or maintenance of any board,*  
12 *bureau, commission, department, office, or officer whose duties,*  
13 *powers, and functions have been transferred to and conferred upon*  
14 *the department. The department shall make those expenditures in*  
15 *accordance with law in carrying out the purposes for which the*  
16 *appropriations were made or the special funds created.*

17     SEC. 10. *Section 40430 of the Public Resources Code is*  
18 *repealed.*

19     ~~40430. The board shall appoint an executive director who may~~  
20 ~~be exempt from civil service laws. The board may delegate any~~  
21 ~~power, duty, purpose, function, and jurisdiction to the executive~~  
22 ~~director which the board determines to be appropriate. The board~~  
23 ~~shall prescribe the duties and fix the salary of the executive~~  
24 ~~director. The executive director shall perform and discharge the~~  
25 ~~powers, duties, purposes, functions, and jurisdiction vested in the~~  
26 ~~board and delegated to the executive director by the board. The~~  
27 ~~executive director may redelegate any of the powers, duties,~~  
28 ~~purposes, functions, and jurisdiction which are delegated to him~~  
29 ~~or her by the board to his or her subordinates.~~

36 *Fund.*

37    SEC. 19. *Section 71300 of the Public Resources Code is*  
38 *amended to read:*

39    71300. (a) For purposes of this part “office” means the Office  
40 of Education and the Environment of the ~~Integrated Waste~~

1 ~~Management Board~~ *California Environmental Protection Agency*,  
2 as established pursuant to this section.

3 (b) The Office of Education and the Environment is hereby  
4 established in the ~~Integrated Waste Management Board~~ *California*  
5 *Environmental Protection Agency*. The office shall report to ~~both~~  
6 the Secretary for Environmental Protection ~~and the board~~. The  
7 office shall dedicate its effort to implementing the statewide  
8 environmental educational program prescribed pursuant to this  
9 part ~~and the integrated waste management educational requirements~~  
10 ~~of this division~~. The office, through staffing and resources, shall  
11 give a high priority to implementing the statewide environmental  
12 education program.

13 (c) The office, under the direction of the Secretary for  
14 Environmental Protection ~~and the board~~, in cooperation with the  
15 State Department of Education, the State Board of Education, and  
16 the Secretary for Education, shall develop and implement a unified  
17 education strategy on the environment for elementary and  
18 secondary schools in the state. The office shall develop a unified  
19 education strategy to do all of the following:

20 (1) Coordinate instructional resources and strategies for  
21 providing active pupil participation with onsite conservation efforts.

22 (2) Promote service-learning opportunities between schools and  
23 local communities.

24 (3) Assess the impact to participating pupils of the unified  
25 education strategy on pupil achievement and resource conservation.

26 (4) On or before June 30, 2006, the office shall report to the  
27 Legislature and the Governor on its progress in developing,  
28 implementing, and assessing the unified education strategy.

29 (d) The State Department of Education, State Board of  
30 Education, and Secretary for Education, ~~in cooperation with the~~  
31 ~~board~~, shall develop and implement to the extent feasible, a teacher  
32 training and implementation plan, to guide the implementation of  
33 the unified education strategy, for the education of pupils, faculty,  
34 and administrators on the importance of integrating environmental  
35 concepts and programs in schools throughout the state. The strategy  
36 shall project the phased implementation of elementary, middle,  
37 and high school programs.

38 (e) In implementing this part, the office may hold public  
39 meetings to receive and respond to comments from affected state

1 agencies, stakeholders, and the public regarding the development  
2 of resources and materials pursuant to this part.

3 (f) In implementing this part, the office shall coordinate with  
4 other agencies and groups with expertise in education and the  
5 environment, including, but not limited to, the California  
6 Environmental Education Interagency Network.

7 (g) Any instructional materials developed pursuant to this part  
8 shall be subject to the requirements of Chapter 1 (commencing  
9 with Section 60000) of Part 33 of the Education Code, including,  
10 but not limited to, reviews for legal and social compliance before  
11 the materials may be used in elementary or secondary public  
12 schools.

13 *SEC. 20. Section 71301 of the Public Resources Code is*  
14 *amended to read:*

15 71301. (a) As part of the unified education strategy, the office,  
16 under the direction of the Secretary for Environmental Protection  
17 ~~and the board~~, in cooperation with the *Natural* Resources Agency,  
18 the State Department of Education, the State Board of Education,  
19 and the Secretary for Education, shall develop education principles  
20 for the environment for elementary and secondary school pupils.  
21 The principles may be updated every four years beginning July 1,  
22 2008. The principles shall be aligned to the academic content  
23 standards adopted by the State Board of Education pursuant to  
24 Section 60605 of the Education Code. The principles shall be used  
25 to do all of the following:

26 (1) To direct state agencies that include environmental education  
27 components for elementary and secondary education in regulatory  
28 decisions or enforcement actions.

29 (2) To align state agency environmental education programs  
30 and materials that are developed for elementary and secondary  
31 education.

32 (b) The education principles for the environment shall include,  
33 but not be limited to, concepts relating to the following topics:

34 (1) Environmental sustainability.

35 (2) Water.

36 (3) Air.

37 (4) Energy.

38 (5) Forestry.

39 (6) Fish and wildlife resources.

40 (7) Oceans.

- (8) Toxics and hazardous waste.
- (9) Integrated waste management.
- (10) Integrated pest management.
- (11) Public health and the environment.
- (12) Pollution prevention.
- (13) Resource conservation and recycling.
- (14) Environmental justice.

(c) The principles shall be aligned to the applicable academic content standards adopted by the State Board of Education and shall not duplicate or conflict with any academic content standards.

(d) (1) The education principles for the environment shall be incorporated, as the State Board of Education determines to be appropriate, in criteria developed for textbook adoption required pursuant to Section 60200 or 60400 of the Education Code in Science, Mathematics, English/Language Arts, and History/Social Sciences.

(2) If the State Board of Education determines that the education principles for the environment are not appropriate for inclusion in the textbook adoption criteria cited in paragraph (1), the State Board of Education shall collaborate with the office to make the changes necessary to ensure that the principles are included in the textbook adoption criteria in Science, Mathematics, English/Language Arts, and History/Social Sciences.

(e) If the content standards required pursuant to Section 60605 of the Education Code are revised, the education principles for the environment shall be appropriately considered for inclusion into part of the revised academic content standards.

*SEC. 21. Section 71302 of the Public Resources Code is amended to read:*

71302. (a) Using the education principles for the environment required in Section 71301, the office, under the direction of the Secretary for Environmental Protection ~~and the board~~, shall develop, in cooperation with ~~the California Environmental Protection Agency~~, the *Natural Resources Agency*, the State Department of Education, and the State Board of Education, a model environmental curriculum that incorporates these education principles for the environment. The model curriculum shall be aligned with applicable State Board of Education adopted academic content standards in Science, Mathematics, English/Language

1 Arts, and History/Social Sciences, to the extent that any of those  
2 content areas are addressed in the model curriculum.

3 (b) The model curriculum shall be submitted to the Curriculum  
4 Development and Supplemental Materials Commission for review.

5 The commission shall submit its recommendation to the Secretary  
6 for Environmental Protection and to the Secretary of the *Natural*

7 Resources Agency by July 1, 2005.

8 (1) The Secretary for Environmental Protection and the Secretary  
9 of the *Natural* Resources Agency shall review and comment on  
10 the model curriculum by January 1, 2006.

11 (2) The model curriculum along with the comments by the  
12 Secretary for Environmental Protection and the Secretary of the  
13 *Natural* Resources Agency shall be submitted to the State Board  
14 of Education for its approval.

15 *SEC. 22. Section 71303 of the Public Resources Code is*  
16 *amended to read:*

17 71303. (a) As determined appropriate by the Superintendent  
18 of Public Instruction, the State Department of Education shall  
19 incorporate into publications that provide examples of curriculum  
20 resources for teacher use, those materials developed by the office  
21 that provide information on the education principles for the  
22 environment required in Section 71300.

23 (b) If the Superintendent of Public Instruction determines that  
24 materials developed by the office that provide information on the  
25 education principles for the environment are not appropriate for  
26 inclusion in publications that provide examples of curriculum  
27 resources for teacher use, the Superintendent of Public Instruction  
28 shall collaborate with the office to make the changes necessary to  
29 ensure that the materials are included in that information.

30 (c) The model environmental curriculum approved by the State  
31 Board of Education, pursuant to Section 71302 shall be made  
32 available by the office to elementary and secondary schools to the  
33 extent that funds are available for this purpose. The State  
34 Department of Education shall make the model curriculum  
35 available electronically including posting *the model curriculum*  
36 on its *Internet* Web site.

37 (d) The State Department of Education, to the extent feasible  
38 and to the extent that funds are available for this purpose, shall  
39 encourage the development and use of instructional materials and  
40 active pupil participation in campus and community environmental

1 education programs. To the extent feasible, the environmental  
2 education programs should be considered in the development and  
3 promotion of after school programs for elementary and secondary  
4 school pupils and state and local professional development  
5 activities to provide teachers with content background and  
6 resources to assist in teaching about the environment.

7 (e) (1) ~~The board~~ California Environmental Protection Agency  
8 shall assume costs associated with the printing of the approved  
9 model curriculum as set forth in subdivision (c). ~~The board~~  
10 California Environmental Protection Agency shall use, for these  
11 purposes, funds that are available for its administrative costs.

12 (2) From funds available for its administrative costs, the State  
13 Department of Education shall post and maintain the model  
14 curriculum on its Internet *Web* site and pay any costs associated  
15 with any related online questionnaire on its Internet *Web* site as  
16 set forth in subdivision (c).

17 (3) The State Department of Education shall explore  
18 implementation of this section from its baseline resources dedicated  
19 to this purpose and if funding is not available from that source,  
20 then funding may be provided to the department, pursuant to  
21 appropriation by the Legislature, under Section 71305.

22 *SEC. 23. Section 71304 of the Public Resources Code is*  
23 *amended to read:*

24 71304. (a) The office, under the direction of the Secretary for  
25 Environmental Protection, shall be responsible for the statewide  
26 coordination of regulatory administrative decisions that require  
27 the development or encourage the promotion of environmental  
28 education for elementary and secondary school pupils.

29 (b) All California Environmental Protection Agency or *Natural*  
30 Resources Agency boards, departments, or offices that take  
31 regulatory actions or take enforcement actions requiring the  
32 development of, or encouraging the promotion of, environmental  
33 education for elementary and secondary school pupils shall, prior  
34 to adoption or approval of the action, seek comments on the action  
35 from the office in order to promote consistency with this part and  
36 cross-media coordination.

37 (c) The office shall coordinate with all state agencies to develop  
38 and distribute environmental education materials.

3 upon appropriation by the Legislature, be expended by the  
4 California Environmental Protection Agency, ~~in consultation with~~  
5 ~~the board~~, for the purposes of this part. ~~The board shall provide~~  
6 ~~recommendations to the Secretary for Environmental Protection~~  
7 ~~regarding expenditures from the account.~~ The Secretary for  
8 Environmental Protection shall administer this part, including, but  
9 not limited to, the account.

10 (b) Notwithstanding any other provision of law to the contrary,  
11 the agency may accept and receive federal, state, and local funds  
12 and contributions of funds from a public or private organization  
13 or individual. The account may also receive proceeds from a  
14 judgment in state or federal court, when the funds are contributed  
15 or the judgment specifies that the proceeds are to be used for the  
16 purposes ~~if~~ of this part. The account may receive those funds,  
17 contributions, or proceeds from judgments, that are specifically  
18 designated for use for environmental education purposes. Private  
19 contributors shall not have the authority to further influence or  
20 direct the use of their contributions.

21 (c) Notwithstanding any other provision of law, a state agency  
22 that requires the development of, or encourages the promotion of,  
23 environmental education for elementary and secondary school  
24 pupils, may contribute to the account.

25 (d) The agency shall immediately deposit any funds contributed  
26 pursuant to subdivision (b) into the account.

27 ~~SECTION 1. It is the intent of the Legislature to enact statutory~~  
28 ~~changes relating to the Budget Act of 2009.~~
